

Is COVID Over?

On **September 19**, Biden announced the pandemic is over. On October 13, he renewed the Public Health Emergency (PHE) which has been renewed every three months since January 27, 2020. By renewing the PHE, the PREP Act liability protections and the Covid “countermeasures” (the jab and NIH hospital protocols, including related hospital bonus payments) remain in effect! [Our government has legalized and continues to fund murder.](#)

For the week ending **September 20** (note combined population 12M > U.S.; 17,000 fewer hospital admissions):
